### **Mediation**

The parties agree to attempt to resolve any dispute, claim or controversy arising out of or relating to this Agreement by mediation, which shall be conducted under the then current mediation procedures of The CPR Institute for Conflict Prevention & Resolution or any other procedure upon which the parties may agree. The parties further agree that their respective good faith participation in mediation is a condition precedent to pursuing any other available legal or equitable remedy, including litigation, arbitration or other dispute resolution procedures.

Either party may commence the mediation process by providing to the other party written notice, setting forth the subject of the dispute, claim or controversy and the relief requested. Within ten (10) days after the receipt of the foregoing notice, the other party shall deliver a written response to the initiating party's notice. The initial mediation session shall be held within thirty (30) days after the initial notice. The parties agree to share equally the costs and expenses of the mediation (which shall not include the expenses incurred by each party for its own legal representation in connection with the mediation).

The parties further acknowledge and agree that mediation proceedings are settlement negotiations, and that, to the extent allowed by applicable law, all offers, promises, conduct and statements, whether oral or written, made in the course of the mediation by any of the parties or their agents shall be confidential and inadmissible in any arbitration or other legal proceeding involving the parties; provided, however, that evidence which is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation.

The provisions of this section may be enforced by any Court of competent jurisdiction, and the party seeking enforcement shall be entitled to an award of all costs, fees and expenses, including reasonable attorneys' fees, to be paid by the party against whom enforcement is ordered.

### Charges and Payments:

Our charges may be changed from time-to-time.

Payments are due for the full month for which any part of the month is included in the "Term in accordance with the executed License Agreement."

As long as you are a Member or have an outstanding balance with us, you agree to at all times provide us with valid credit card information and authorize us to deduct the monthly charges against such credit card and to replace the information for any credit card that expires with information on a different valid credit card. Any individual using a credit card represents and warrants that he or she is authorized to use such credit card and that any and all charges may be billed to such credit card and will not be rejected.

### Refunds

We are required to provide a refund only if we terminate our Services to you without cause before the end of a month for which you have paid. There is no other circumstance in which you will be entitled to a refund from us. We may, at our sole discretion, offer refunds in other situations subject to any Member seeking such refund applying for the refund in accordance with the requirements we post on the website, which may be changed from time to time.

**Term, Termination and Removal:** Either party may terminate the Term of this Agreement at any time for any reason by providing Notice to the other party. We may suspend our Services to you at any time with or without cause. We will refund a pro rata portion of your monthly prepayment if we terminate you without cause. We will not refund and/or reimburse you in such manner, if there is cause.

Once terminated, we may remove any of your data from our Website and any other storage. Additionally, if you do not log in to your account for 12 or more months, we may deem your account "inactive" and permanently delete your account and all data associated with it.
